Food Resources - CalFresh

What is CalFresh?

CalFresh is a California food benefits program that helps students buy groceries. It won't affect your existing financial aid and you don't need your parent's tax returns to apply. The average eligible student gets \$234 (up to \$281) each month in benefits which can be used at select locations and stores. It takes less than an hour to check your eligibility and apply. You'll get a call from CalFresh in a couple of days to verify your situation. If approved, you'll get money within 30 days through an electronic benefits transfer card (EBT).

Who qualifies?

All students must meet age, income, and social security guidelines. The following qualifications are a good indicator of eligibility:

- Federal or State Work-Study recipient
- Working 20+ hours a week or 80+ hours a month consistently
- Cal Grant recipient

Find additonal qualification information here.

Apply Now! www.getcalfresh.org/students

Many stores accept EBT. Find locations by clicking <u>here</u>. You can purchase groceries online. Shop at the Trojan Farmers Market. Learn how <u>here</u>.

Create your online portal at **benefitscal.com** to check case status, balances, report changes, or complete six or one-year check-in. If needed, you will be redirected to your counties appropriate website.

Where can I use CalFresh dollars?

How do I manage my benefits?
